

Dip Molded Vinyl Caps

- Provides a low-cost solution for a variety of user applications-as protectors for tubing, threaded parts, and as covers for bolts and screws.
- Widely used as masks for painting, plating, shot blasting and powder coating processes.
- Available in standard or high-temperature material.
- Flexible design can stretch onto slightly larger dimensions for a snug fit without tearing, splitting or shredding.
- Available in custom sizes, alternate colors, and optional lengths if sizes shown are not applicable.

Use on tips of fasteners for protection

Specifications - Standard Caps

- Standard Color: Black
- Standard Material: Vinyl (PVC)
- Temperature Range: Up to 350⁰F

Specifications - High-Temp. Caps

- Standard Color: Yellow
- Standard Material: High Temperature Vinyl (PVC)
- Temperature Range: Up to 450⁰F
- To order High Temperature items, add "H" suffix to the Part Number (Example: DM-0187-1/2H)

- Manufactured of 100% Nylon
- Non-Corrosive
- Specification: Type 6.6 Nylon
- Self-Extinguishing
- Natural & Weather Resistant Black Operating Temperatures From 40° F (-40° C) to 185° F (85° C).
- Recognized Under the Components Program of Underwriter Laboratories, Inc.

File # E 57800

Black weather resistant nylon cable ties

Length	Loop Tensile Strength	Width	Bundle Diameter	Military Specification	Bulk Bag Qty.
3.25"	18 lbs.	3/32"	1/16"- 5/8"	MS-3367-4-0	1000
