PAK-ONE
INVENTORY MANAGEMENT

Order *ONLY* what's needed for the job!

Visit our website for the most up-to-date product and technical information!

Benefits

By purchasing only what you need for the job...

- Reduces your inventory investment.
- Improves your cash flow.
- Eliminates dead inventory.
- Reduces “hidden” warehouse and procurement costs.

Here's how PAK-ONE™ works...

- Consolidate fasteners, tools, and accessories needed for a specific job...
- Utilizing a computer program...
- That provides a “cut list” for only the items needed for the job...
- So that you order and receive only what you need for the job!
