

KALIDA-KOTE

High Performance Paint for Fasteners, Rivets, and Metal Closures

Trust our KALIDA-KOTE™ painting process to produce perfect color matched fasteners, rivets, and metal closures.

Our process utilizes a special formulated polyurethane enamel with UV protection assuring a fade resistant finish. We cure the paint by baking it to produce a tough, chip resistant finish. KALIDA-KOTE is compatible with Kynar paint finishes.

- ▶ Polyurethane enamel can be matched to any color!
- ▶ We bake the paint which produces a tough, chip resistant finish .
- ▶ UV protection.
- ▶ Painted fasteners in stock for immediate shipment!
- ▶ Customized painting of metal closure and gutter straps.
- ▶ Special colors in 3 days or less!!!
